Mrs. Imogene DeVaughan

## We Dedicate:

In the days when the dream of a college for Gaston County was emerging from shadow into substance, there was one who offered, "Call on me anytime, for anything."

A decade of untiring effort has fulfilled that commitment many times over as Imogene Spiegle DeVaughan has responded to the needs of the fledgling institution and its students. With a remarkable willingness and diversity, she has made a genuine contribution to every facet of the college's life and growth.

With gratitude for her steadfast support of the community college concept and for her faith in us, we dedicate the 1973 REVELEER to Mrs. Imogene DeVaughan.

Frank E. Parker, Sr.

## In Memory:

Frank E. Parker, Sr., was a member of the Gaston College family for only three years, and yet it seems as if he was always a part of the very purpose and plan of this institution.

For more than thirty years, he served the field of education as a teacher, principal, and Director of Adult Basic Education. He was not only a devoted educator, but an active member of the civic and church life of the community.

He loved music and delighted audiences with his talent on the organ and piano. In so short a time as we were privileged to be associated with Frank Parker, he leaves us a legacy of compassionate concern for people, love for knowledge, and proof that one man's life can make a difference.
